

Dear Parents:

At Norwood, we take pride in the educational opportunities we are able to provide for our children and families. Our teachers and staff members work very hard to meet the needs of all students to build academic success. We have evidence that students are learning and making good progress. We are ranked #17 in the state by Education Consumers Foundation and we were recognized by the state of Tennessee as a Reward School. We consider these honors to be important indicators of success.

As we are achieving in many areas, we also know there is always room for improvement. An important part of our cusses is parent participation and support in developing activities to improve student achievement. We hope that as parent/guardian, you will become involved in our school improvement initiatives as we continue to monitor student achievement and set high expectation for ourselves. If you are interested in joining our Parent Study Council, a group assembled to assist in the development of our school improvement initiatives. The Parent Study Council will meet at the school on the 3rd Thursday of each month at 9:00 a.m. Please contact me at (865) 435-2519 or [khobby@acs.ac](mailto:khobby@acs.ac) if you are interested in becoming a member.

Thank you for all that you do to support your child's education.

Sincerely,

Karri Hobby  
Principal
